

In accordance with CDC guidelines and State recommendations we ask that you please observe the following while on the farm.

Masks are required to enter the Retail Store and Weigh Station Area.

Masks are required while riding on the Strawberry Wagon to and from the field.

Masks are not required while picking or walking to and from the field while conforming to social distancing guidelines.

Please wash and sanitize your hands before and after picking. Wash stations are located at the retail store and in the fields.

Row assignments in the field will provide safe distancing from other customers.

Wagons will be running to and from the field continuously with limited capacity to also provide safe distancing.

Please be considerate of above guidelines for the safety of yourselves, others, and our employees.

***And most importantly,
Enjoy Your Visit to the Farm!***
